Examine Yourself: Communion

Context: The church in Corinth was a mess. They were childish, selfish, had their focus off, misunderstood, misused and abused spiritual gifts, mixed truth with error and more. They were a thorn in Paul's spiritual side. But he loved them, answered their questions, rebuked them, and exposed the problems among them. He called them out in their spiritual immaturity. It is this assembly, Paul had to correct their misuse and abuse of the Lord's Supper.
