Whose Truth is it  
Anyways?

*Various Verses*

**Truth** is *objective, corresponds to reality, in all places, for all people, at all times and does not change.* Today, we are going to look at **truth**. We will *explore* what the world believes and look at principles to discern what is true from what is false. **Ultimately,** we must have an ***objective standard***, or something outside of ourselves, that *is and/or guides us to truth.*

## A. The Reality of Truth

### 1. Relativism

There are no absolutes, no truth, no right and wrong, because *no idea is better or righter than any other.*

## A. The Reality of Truth

### 2. Subjective Truth

Truth is up to the **individual**, *subjective desire, rather than objective reality*. “True for you but not for me.” I believe something, you believe something else and *we’re ok*.

## A. The Reality of Truth

### 2. Subjective Truth

*Reality isn't what I want it to be... Being in control, is the **foundation** that truth is up to the individual. But, my beliefs don't dictate reality.*

## **A. The Reality of Truth**

### **3. The Law of Non-Contradiction**

**The law of non-contradiction is a law of logic that states something can't be one thing and something else at the same time.**

## A. The Reality of Truth

### 3. The Law of Non-Contradiction

The statement, “*there is no truth*” is a **statement of truth**. It *contradicts itself*. Even trying to deny truth exists, *truth is established*. The idea that **ANYTHING** is wrong, *presupposes something is right, good and true*. Why is that important?

## B. The Importance of Truth

### 1. True and False Doctrine

Truth cuts through the **façade** of what **appears** to be true and *goes to the core problems...*

There is good doctrine and false doctrine. Only when we know **truth** can we *discern between the two.*

## **B. The Importance of Truth**

### **2. Personal Character**

***Truth and character go together!***

## B. The Importance of Truth

### 3. Right and Wrong

*Right, wrong, good and bad: there must be an objective reference. Something in us tells us some things are wrong... Scripture calls this "conscience" in Romans 2.*

*There is objective truth. But where do we find objective truth?*

## C. The Measure of Truth – What or Who...

### 1. A Few Possibilities

**Where** do we find truth? Many people, books and groups **claim** *to have truth*. But *compare them* and they *contradict themselves*.

*Everything can't be true if it is contradictory.*

Therefore, every religion and philosophy in the world cannot be true. They can all be wrong, but **not** all true.

## C. The Measure of Truth – What or Who...

### a. New Age/Occult

Believes in reincarnation, **I** can be god, spells, spirit beings, no absolutes, many gods and goddesses, Jesus was an enlightened person or Avatar, and that there are **many ways** to “god.” Believes, *with many others*, that **I determine truth!**

## C. The Measure of Truth – What or Who...

### b. Islam

There are the *5 pillars*, and you **work** for *salvation*. There is 1 unknowable god, based on a religion and book created by **1 man**, and areas where *Islam is prominent* there is **no freedom**, lots of control and fear, and state *Jesus is a prophet*. You're never sure if you have *done enough*, use the *Quran and Hadith*.

## C. The Measure of Truth – What or Who...

### c. Hinduism

...over **350 million gods**, that are *manifestations of 1 god*: Brahman... reincarnation, meditation, you become 1 with the universe and lose individuality, *I'm god but forgot it*... areas where prominent there is a **caste system**, people have no value... "*salvation*" through, use Vedas and Bhagavad-Gita.

## C. The Measure of Truth – What or Who...

### d. Christianity

There is *1 God in 3 Persons*, focuses on sin and repentance, came from *Judaism*, and uses the **Bible**, which was written over 1500 years by about 40 writers, *claims no error in original writings*, says Jesus is God who died for sinners and by **faith** (no works) one can be *saved* and *receive the forgiveness of sin...* it's historical...

## C. The Measure of Truth – What or Who...

### 2. Must Answer Questions of Life

It must answer the *basic questions of life*, or **worldview** questions. 1. **Origin**: Where did I

come from? 2. **Purpose**: Why am I here? 3.

**Eternity**: Where am I going? Is there a God and can I know this god? 4. **Reality**: What is truth.

5. **Personality**: Why am I the way I am? 6.

**Problems**: Where did evil and death come from?

## C. The Measure of Truth – What or Who...

### 3. Unchanging and Permanent

If truth is unchanging, the foundation must be unchanging too. But if you look at *religious beliefs*, their doctrines have changed over the years. ***Truth doesn't change.***

## C. The Measure of Truth – What or Who...

### 4. Knowable for Everyone

Some say certain knowledge is **attainable** if you are *able to read a certain language – Islam and Aramaic* or they alone know the truth and you must go through certain practices, rituals, initiation rights to learn it – *Freemasonry, Mormonism, New Age.*

**Freemasonry**  
or the  
**Masonic Lodge**

They seek the “lost name of god.” One name they give is “**Jabulon**.” This is a mixture of 3 names: “**Ya**” – the *Hebrew Praise Name for YHWH*, “**bul**” – a form of *Baal*, and “**on**” the *Babylonian term for Osiris*...

## C. The Measure of Truth – What or Who...

### 5. Based in History and Reality

*Archaeology, science, language, prophecy.*

When was the religion founded? **Who**  
founded it? **What** was that person(s) like?  
Does the religions history **contradict** what  
reliable sources state?

## D. The Person(s) of Truth

The **triune God** (*Trinity*) is *1 God* (who) in *3 Persons* (what), formed and based upon **relationship** within the *Godhead*. There is **1 GOD**, not 3. The Father is **NOT** the Son, the Son is **NOT** the Father, the Holy Spirit is **NOT** the Father or Son. Each has His role, but are of the *same essence* – **1 God!** The Bible reveals God as true.

## **D. The Person(s) of Truth**

### **1. Father**

**Called Truth - *Deuteronomy 32:4, Isaiah 65:16, Jeremiah 10:10, John 3:33***

**Does Not Lie - *Numbers 23:19, 1 Samuel 15:28-29, Titus 1:1-3, Hebrews 6:17-18***

**Son Calls the Father True - *John 8:26-27***

## D. The Person(s) of Truth

### 2. Son

Father is True, Therefore What the Son Says is True - *John 8:26-32, 36*

Full of Truth - *John 1:14, 16:7*

Claims to be Truth - *John 7:18, 14:6*

## D. The Person(s) of Truth

### 3. Holy Spirit

Son Calls Him Truth - *John 14:16-17, 15:26, 16:13*

Called Truth - *1 John 5:6*

His Statements are True - *John 16:13-15, 1 Peter 1:22*

## D. The Person(s) of Truth

Truth is **Being** and a **book** and *not an abstract thought!* **God** objectively corresponds to reality at all times, in all situations for all people and does not change, *but He changes lives.* **He is!** If God is not a God of truth, then **His word** *is not true.* When we say the Bible is not reliable, we call God a liar!

## D. The Person(s) of Truth

Some say: Who are **you** to impose **your** “*truths*” and *values* upon **my** life? One who says *values ought not to be imposed on others*, is attempting to impose their views on you! *Their argument **contradicts** itself!*
